St. Mary's Catholic School
Responsible Use of Technology
Internet Usage Agreement and
Chromebook Agreement Form
9th - 12th Grades

- Parent

• I have read and understand the Responsible Use of Technology and Personal Responsibility/Liability Agreement and the Internet User Policy and Rules.

• I will comply with this agreement and the St. Mary's Internet Usage Policy.

• I understand that my child's electronic device privileges may be revoked and that discipline may be imposed as a result of inappropriate behavior, damage, neglect, or loss to any school owned device.

• I understand that I am financially responsible for any damage (deliberate or accidental) to my child's school issued device (or its replacement if repairs cannot be made).

• I understand that my high school child is responsible for keeping school issued devices charged and ready for use each school day and for maintaining and caring for the assigned device.

Student Internet User Policy and Rules

STUDENTS: By initialing on the lines you are agreeing to follow each of these rules.

All students using the Internet agree to do so in an appropriate manner. Refer to the Student Handbook for more information.

_____1. *Respect and protect the privacy of others.*

Use only assigned accounts.
Do not view, use, or copy passwords, data, or networks to which you are not authorized.
Do not share passwords nor use another student's passwords.
Do not distribute private or personal information about yourself or others, nor misrepresent yourself or others.
Do not store personally identifiable data on any school device.

_____2. *Respect and protect the integrity, availability, and security of the computing system.*

Observe all network security practices, as posted.
Do not bypass the school filters by trying other URL versions, using "unblocked" platforms, using VPNs ("hotspots"), or proxy server sites.
Do not access the Internet without a teacher or staff member in the classroom.
Report security risks or violations to a teacher or administrator.
Do not destroy or damage data, networks, or other resources.
Do not install or download any software without permission.
Conserve, protect, and share networks with other network users.
Do not move any technology equipment without the teacher's permission.
Use the Internet for educational purposes only.
Do not use email accounts for anything other than educational purposes.
Do not use email accounts to set up accounts for non-educational websites.

_____3. *Generate your own work and respect and protect the intellectual property of others.*

Do not infringe upon copyrights (no making illegal copies of text, pictures, music, games, or movies).
Do not turn in work created by AI as if it was yours. Do not plagiarize. Copying the work of another or AI, without giving credit to the source, will be considered cheating and subject to the cheating policy in the student handbook.

_____4. *Respect and practice the principles of community and the values of the Catholic Church within all transmission of material on the Internet.*

Communicate only in ways that are kind and respectful, using appropriate language.
Report threatening or inappropriate sites or materials to a teacher or administrator.
Do not intentionally access, transmit, copy, or create material that is illegal (such as obscenity, stolen materials, or illegal copies of copyrighted works).
Do not use the resources to conduct cyberbullying nor further acts that violate the school's code of ethics.
Do not send spam, chain letters, or other mass unsolicited mailings.
Do not buy, sell, advertise, or otherwise conduct business on school computers and or internet..
Do not view or transmit at any time objectionable material, as determined by the administration.
Students are to notify an adult immediately, if by accident, he/she encounters material that violates the rules. Consequences may include, but are not limited to, the loss of computer privileges and account access, detention, suspension, dismissal from school, and/or police involvement.

_____5. *Utilize your school issued account for educational purposes only*

Log-in for school Chromebooks
Communications with teachers and classmates about classroom assignments and information.
Correspond with colleges and universities.
Join Google Classroom and other educational forums
Do not use your school issued account to open other accounts without express permission from the school.
